boost!

YLJC has been fortunate to receive grants and donations from a number of sources to enable us to deliver the activities that we do. However, going forward these may not be available to us.

Can you help us become more self-sufficient? Can you boost our income by making an additional one-off donation? Can you boost your standing order by a few extra pounds?

This would help secure our future and ensure that we maintain our position as the most dynamic community in the world! Thank you.
